15/Nov 15)  
Spring Season – 4  
payments (Jan15/Feb 15/  
Mar15/ Apr15)

Season: 10 months  
4 practices per week

## PROGRAM COSTS

Playing club soccer is more expensive than recreational programs. PASC and SVSA premier's fees are very competitive with other local elite and academy clubs. Length of the plan varies by age group/gender. Above is a summary of the costs associated with playing soccer at PASC and SVSA.

## CLUB COSTS

The club costs are fees collected to cover the following expenses: coaches fees, association, league fees, facility maintenance insurance, administrative costs, referee fees, fee assistance, and other expenditures as outlined in the program. Other expenditures incurred other than those covered by the club fees are determined by each individual team and are the financial responsibility of the team and the players (see team dues). Fees include an amount for a Spring tournament but unlike previous years, fees do not include State Cup or a Fall tournament.

## TEAM COSTS

This amount is calculated by the team manager and treasurer and covers the cost of the team entering tournaments, team travel expenses, coach's travel, renting additional field time when necessary, etc. Limited travel is expected in the Fall season so fees include an amount for a typical Spring tournament but unlike previous years, fees do not include State Cup or a Fall tournament. Team participation would be determined by each team with team fee collection. This amount depends on the level of the team (Tier A, GA, MLS teams do more travel and enter more expensive tournaments/ events so their team dues are higher). Typically team dues will be discussed in detail at your first team meeting along with the payment schedule.

## UNIFORM KITS

Every two to three year, PASC/SVSA players are required to purchase a complete uniform kit that includes home, away jersey, shorts, socks, and in some cases backpack, warm ups, and training t's. The uniform is the financial responsibility of the player. 2020 is a fill-in year. Fall 2021 is a purchase year.

## FUNDRAISING

PASC/SVSA has multiple fundraising events throughout the year. The revenues from these events offset club costs, provide funds for dues assistance. Individual teams can offset their team dues by participating in these fundraising events. This is encouraged especially for teams that travel extensively. There is uncertainty regarding volunteer opportunities in the Fall.

## VOLUNTEER HOURS

It is through volunteer work that the club staffs and supports all club fundraising events. It is the expectation of the club that five (5) hours per player per family are completed throughout the year. Families can choose to opt out of the volunteer commitment at the rate of \$20 per hour. Due to possible limited volunteer opportunities in the Fall, the volunteer buyout fee is reduced to \$100 instead of \$150 this year.
